Dear Colleagues,

## INVITATION THE 29<sup>th</sup> ANNUAL GENERAL MEETING OF THE OPHTHALMOLOGICAL SOCIETY OF GHANA

This year the Ophthalmological Society of Ghana (OSG) will hold its 29<sup>th</sup> Annual General Meeting at the Sogakofe Beach Resort in Sogakofe in the Volta Region of Ghana from the 26<sup>th</sup> to 29<sup>th</sup> of September 2019.

This year's theme is 'Advances in the management of Orbital diseases and Oculoplastics' and OSG will focus on the role of the oculoplastics in the delivery of comprehensive eye care services to prevent visual impairment and strengthen rehabilitation of the blind in our communities.

As ophthalmologists, the Ophthalmological Society of Ghana encourages members to attend and fully participate in AGM as we interact and acquire knowledge during this largest gathering of Ophthalmologists in the country.

Kindly note that the conference fees are GH500.00 and accommodation is at a discounted rate of GH 900.00 per head for 3 nights at the conference venue.

We look forward to seeing you in Sogakofe.

Sincerely,

**Dr. Dziffa Ofori - Adjei (Secretary, OSG)**
